Ministry of the Week

Pray for Kingdom Kids and LAMBS that the leaders and teachers would rely on God for energy, wisdom, and creativity as they teach the children on Sunday mornings. Pray that the lessons that the children learn would impact their lives and stay with them as they grow, bringing them to a saving relationship with Jesus (2 Timothy 3:14-15).

**Church of the Week
Victory Church**

Pray for Pastor Alex True and the other ministry leaders that they will find their joy and strength in God and grow deeper in their relationship with Him everyday. Pray for their various ministries that they would bear gospel fruit

Government

Pray for our Veterans as we honor their service on the 11th. Pray for healing for the men and women who have been injured in body or soul, that they will seek out God through their trials and come to a saving knowledge of Him. Praise God for their service, courage, and leadership in serving our country and pray that they continue to use their strength to serve their communities. Pray for families as they support their loved ones who are veterans.

PRAYER GUIDE

God's Character

Praise God for his wisdom -that he is "the only wise God" (Rom. 16:27), always chooses the right goals and the best means to those goals. "With him are wisdom and might; he has counsel and understanding" (Job 12:13).

God's Church

Pray that we would have faith to believe that God is really at work in the world and in our lives individually. Pray, too, that we would seek the Lord's wisdom in our daily lives, since he has promised to grant wisdom generously to all who ask for it (James 1:5).

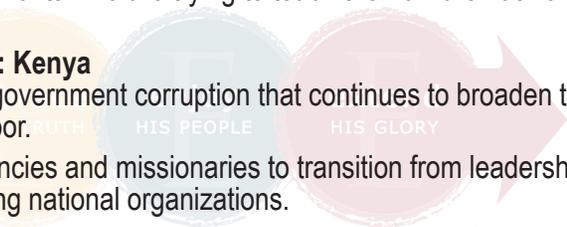

Great Commission

Missionary of the Month: Rochester Family Mission

- The mission would like to add a staff member to assist in their work.
- The Mission has a food ministry for the working poor on Wednesday nights. Pray that they as they distribute food that they can also provide spiritual encouragement.
- Pray for how food will be distributed this winter. The distribution has been done outside this summer, but that will be much harder to accomplish as the weather turns colder.
- Pray for inner city parents who are trying to teach their children at home.

Country of the Week: Kenya

- Pray for the end of government corruption that continues to broaden the gap between rich and poor.
- Pray for foreign agencies and missionaries to transition from leadership to consulting for growing national organizations.
- Pray for fresh Holy Spirit fire among the majority, though nominal, Christian population.
