

PRAYER GUIDE
CONTINUED
April 25, 2021

Ministry of the Week

Pray for our Deacons that God would give them wisdom and motivation as they serve and that the Holy Spirit would give them the right words to say as they pray for and minister to members of our congregation. Pray that they would "keep hold of the deep truths of the faith with a clear conscience" (1 Timothy 3:9) and be rooted in God's word.

Church of the Week
Joy Community Church

Pray that this church will experience, express, and extend the Joy of the Lord so others can be strengthened. Pray for Pastor James Laughlin that he will be dedicated to preaching the gospel and serving his church.

Government

Pray for the men and women who serve in the United States Military and for the veterans who have sacrificed much time and energy to service. Pray for safety and encouragement for our troops, and pray that those who are believers would have the courage to share the good news, and that their love for Christ would bring others to Him (Matthew 5:16)

Lee and Joanne Freace serve with Crossworld and have been members of WBC since 1977. As their sending church, WBC commissioned them to full time ministry in 1985 to the Republic of Ireland, where they were dedicated to church planting and making disciples. They have had the privilege of being a part of God's ministry of building His church through 10 church plants. Presently they live in Charlotte, NC. Most of their energy now goes into assessing, training and coaching new missionary candidates from the moment they are appointed by Crossworld to the point of deployment to the field. At least twice yearly they spend a month in Kansas City, MO where they meet with candidates face-to-face working through the various aspects of orientation and pre-field deployment. Recently the Freaces had the privilege of assisting in the development of an alliance with three other mission agencies called "Therefore Alliance." They continue to be grateful to be able to use their abilities and ministry experience to equip the future generation for Kingdom work in the world's least reached places.

**BLESSED
ARE THE
MEEK**
Matthew 5:5

Pastor Matt Fletcher

Transforming Truth

Nothing is stronger or more rewarding than Christ-like gentleness.

Meekness Explained

Meekness Exemplified

PRAYER GUIDE

April 25, 2021

God's Character

Thank God that we have a Savior who is "gentle and lowly in heart" (Matt. 11:29), the most understanding person in the universe!

God's Church

Pray that we would be constantly coming to Jesus and finding our rest in him (Matt. 11:29). Pray that we would become more like him, displaying his gentleness toward others.

Great Commission

Missionary of the Month: Lee and Joanne Freace

- Pray for God's continued help and direction as they coach the next generation of missionaries to be well equipped for whatever and wherever the Lord calls them.
- Pray that God would deploy at least 3 families that they are coaching in 2021.
- Pray that the Lord would put a hedge of protection around them that they might be blessed with good health, especially as they begin traveling again. Pray also that their daily walk would be honoring to Him.
- Pray that the Lord would equip them with His wisdom as they assess candidates for Crossworld (next Candidate Orientation in person will be in Missouri June 5-12).
- Pray that they would have more opportunities in their community to share God's truth and that they would have the joy of seeing at least one person come to saving faith this year.
- Pray that God would soon ease the effects and strict limitations in Ireland which is still in lockdown. People there can only leave the house for food supplies and emergencies and must stay within 3 miles of their home which is very challenging and discouraging for their colleagues there.

Country of the Week: Mauritius

- Pray for a surge in national Christian workers.
- Pray for unity among Christian organizations to effectively minister to this religiously diverse nation.
- Pray for more Christian internet resources in the languages of the highly connected population.
