Ministry of the Week

Pray for our **Deacons** that God would give them wisdom and motivation as they serve and that the Holy Spirit would give them the right words to say as they pray for and minister to members of our congregation. Pray that they would "keep hold of the deep truths of the faith with a clear conscience" (1 Timothy 3:9) and be rooted in God's word.

**Church of the Week
Faith Bible Church**

Pray that this church will seek God's wisdom in all they do. Pray for peace and healing for all the individuals with health concerns in the congregation. Pray for their college students that they would be able to attend classes in their respective schools in the fall.

Government

Pray for the Centers for Medicare and Medicaid Services that provides health coverage to more than 100 million people. Pray that the Lord will bless their efforts as they seek to strengthen and modernize the Nation's health care system, to provide access to high quality care and improved health at lower costs. Pray that the people who work in these services will come to know Christ.

PRAYER GUIDE

July 18, 2021

God's Character

“The Lord is merciful and gracious, slow to anger and abounding in steadfast love” (Psalm 103:8). Praise God for his mercy, grace, and patience, which stem from his goodness. God's mercy is his goodness toward those in misery and distress. God's grace is his goodness toward those who deserve only punishment. God's patience is God's goodness in withholding punishment toward those who sin over a period of time.

God's Church

As recipients of God's mercy, grace, and patience, pray that we would imitate God by cultivating these virtues and demonstrating them toward others. When it comes particularly to patience, pray that we would demonstrate a moment-by-moment trust in God, recognizing that he will fulfill every single promise and purpose for our good at his chosen time. “You also be patient. Establish your hearts, for the coming of the Lord is at hand” (James 5:8).
