

**PRAYER GUIDE  
CONTINUED**

**Ministry of the Week**

Pray for the **Kingdom Kids** ministry, which teaches the children in our congregation. Pray that the leaders would have strength and patience and that they would continue to be loving and godly examples to the students. Pray that the children, at their impressionable young ages, would take to heart what they learn and grow closer to God (Matthew 19:14).

**Church of the Week**

Thank God for the faithful gospel witness of **Grace Church** (Pastor Marc Swan). Pray that their faith and witness would be strengthened through their current study of Galatians.

**Government**

Pray for the men and women who serve in the **United States military**, and for the leaders who make decisions during military conflicts. Pray for safety and encouragement for our troops, and pray that those who are believers would have the courage to share the good news, and that their love for Christ would bring others to Him (Matthew 5:16).

**Country of the Week**

**Afghanistan**

- Pray for those disillusioned with Islam to find salvation, freedom, and hope in Jesus.
- Pray for supernatural protection, courage, and perseverance for Afghan believers.
- Pray for Taliban fighters to have transformative encounters with Jesus.
- Pray for food and medical care for millions in urgent physical need.

**PRAYER GUIDE**

January 22, 2023

**Our Church**

1 Samuel 30

*The Road to Recovery*

**Transformative Truth:**

*The Lord rescues his people and recovers what's been lost.*

The Loss Suffered (vv. 1-6a)

The Lord Sought (vv. 6b-8)

The Loved Ones Saved (vv. 9-20)

The Loot Shared (vv. 21-30)

**God's Character**

Praise God that he is the Author of life who gives us life, both physically and spiritually (Job 33:4; John 14:6; Acts 3:15).

Pray that we would treasure and preserve the gift of life by making every moment count for God and also by protecting the lives of those who are unable to protect themselves (Proverbs 31:8-9).

**Missionary of the Month: CompassCare**

CompassCare is a Christ-centered, pro-life organization, serving women considering abortion with ethical medical care and comprehensive community support in Buffalo, Rochester, & Albany; and online via telemedicine across NYS.

Praise God for:

- a. The 438 preborn babies saved from abortion in 2022 and 234 women who submitted their lives to Christ.
- b. The growing team of 23 nurses that are serving abortion-determined women across NY, helping them have their babies.
- c. The complete rebuild of the Buffalo office in just 52 days after being attacked.
- d. The recently purchased medical office in Albany.
- e. The new TeleCare platform serving women across NY, including NYC, and being shared with pregnancy centers across the nation.

Pray:

- a. Against the ongoing censorship of CompassCare and other pro-life service organizations by Big Tech.
- b. For the six investigations or lawsuits CompassCare has engaged in to protect pro-life people and organizations from further violence and censorship.
- c. Against the weaponization of legislation by pro-abortion politicians that target pro-life service organizations.
- d. For federal law enforcement to make arrests of at least one of the perpetrators in the 78 attacks against pregnancy centers.
- e. For courage and endurance for the nursing team as they compassionately serve women considering abortion.
